An act to add Section 103577 to the Health and Safety Code, and to amend Section 14902 of the Vehicle Code, relating to public records.

LEGISLATIVE COUNSEL'S DIGEST

AB 1733, as amended, Quirk-Silva. Public records: fee waiver.

(1) Existing law establishes the State Department of Public Health and sets forth its powers and duties, including, but not limited to, the duties as State Registrar relating to the uniform administration of provisions relating to vital records and health statistics. Existing law requires the State Registrar, local registrar, or county recorder to, upon request and payment of the required fee, supply to an applicant a certified copy of the record of a birth, fetal death, death, marriage, or marriage dissolution registered with the official.

Existing law authorizes the issuance of certain records without payment of the fee.

This bill would, *on or after July 1, 2015*, require each ~~county registrar or recorder~~ *local registrar or county recorder* to issue, without a fee, a ~~certified certificate~~ *record* of live birth to ~~an applicant who certifies, and provides sufficient corroborating evidence to demonstrate, that he or she is a homeless person, or a homeless child or youth, as defined.~~ *any person who can verify his or her status as a homeless person or a homeless child or youth, as defined.* ~~The bill would require the department to develop an affidavit attesting to the fact that a person is homeless, and would provide that the affidavit is sufficient corroborating evidence for purposes of obtaining the certificate.~~ *The bill would authorize a homeless services provider, as described, that has knowledge of a person's housing status to verify the person's status as a homeless person or homeless child or youth for purposes of this provision. The bill would require the State Department of Public Health to develop an affidavit that permits a person to attest to his or her status as a homeless person or homeless child or youth, and would provide that the affidavit is sufficient verification for purposes of obtaining the certified record of live birth, as specified.* By imposing additional duties on county employees, the bill would impose a state-mandated local program.

(2) Existing law authorizes the Department of Motor Vehicles to issue an identification card to any person attesting to the true full name, correct age, and other identifying data as certified by the applicant for the identification card, and authorizes the assessment of related fees.

This bill would, on and after January 1, 2016, require the department to issue, without a fee, an original or replacement identification card to a person who can verify his or her status as a homeless person or homeless child or youth, as defined. The bill would authorize a homeless services provider, as described, that has knowledge of a person's housing status to verify the person's status as a homeless person or homeless child or youth for purposes of this provision.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
